MEDIA INFORMATION 2018

ABOUT TAHAWUL TECH

The regions' newest technology news brand, Tahawul Tech prides itself as a dedicated website focusing on the latest local, regional, and global IT news whilst combining the 25-year history and strengths of CPI Media Group's industry-leading technology titles – CNME, Reseller Middle East and Security Advisor Middle East.

Tahawul Tech is committed to chronicling the unprecedented technological transformation that is now driving the Middle East, and is the definitive platform for stories that are putting this region on the global stage.

As organisations public and private across the GCC wake up to the need to adopt digital transformation strategies, Tahawul Tech is a faithful companion for those who are determined to take their business to the next level.

Tahawul Tech boasts a combined base of 112,000 unique monthly users from across the globe.

Tahawul (تَحَوُّل) = Transformation

THE BRAND

TAHAWUL TECH: 3 PUBLICATIONS ON ONE PLATFORM

CNME – the flagship magazine and platform of CPI Media Group – recently celebrated its 25th anniversary and passed the 300-issue mark for its print product, making it one of the longest running magazines in the Middle East. CNME's online and print content constitutes the most informative and engaging enterprise technology resource in the region. CNME is committed to delivering unrivalled insight through its access to technology and business decision-makers both at CIO and CEO level.

Reseller Middle East is the region's most trusted platform for IT channel news and features. Approaching its 250th print issue in October 2017, Reseller Middle East continues to be the go-to resource for one of the most critical aspects of the technology industry.

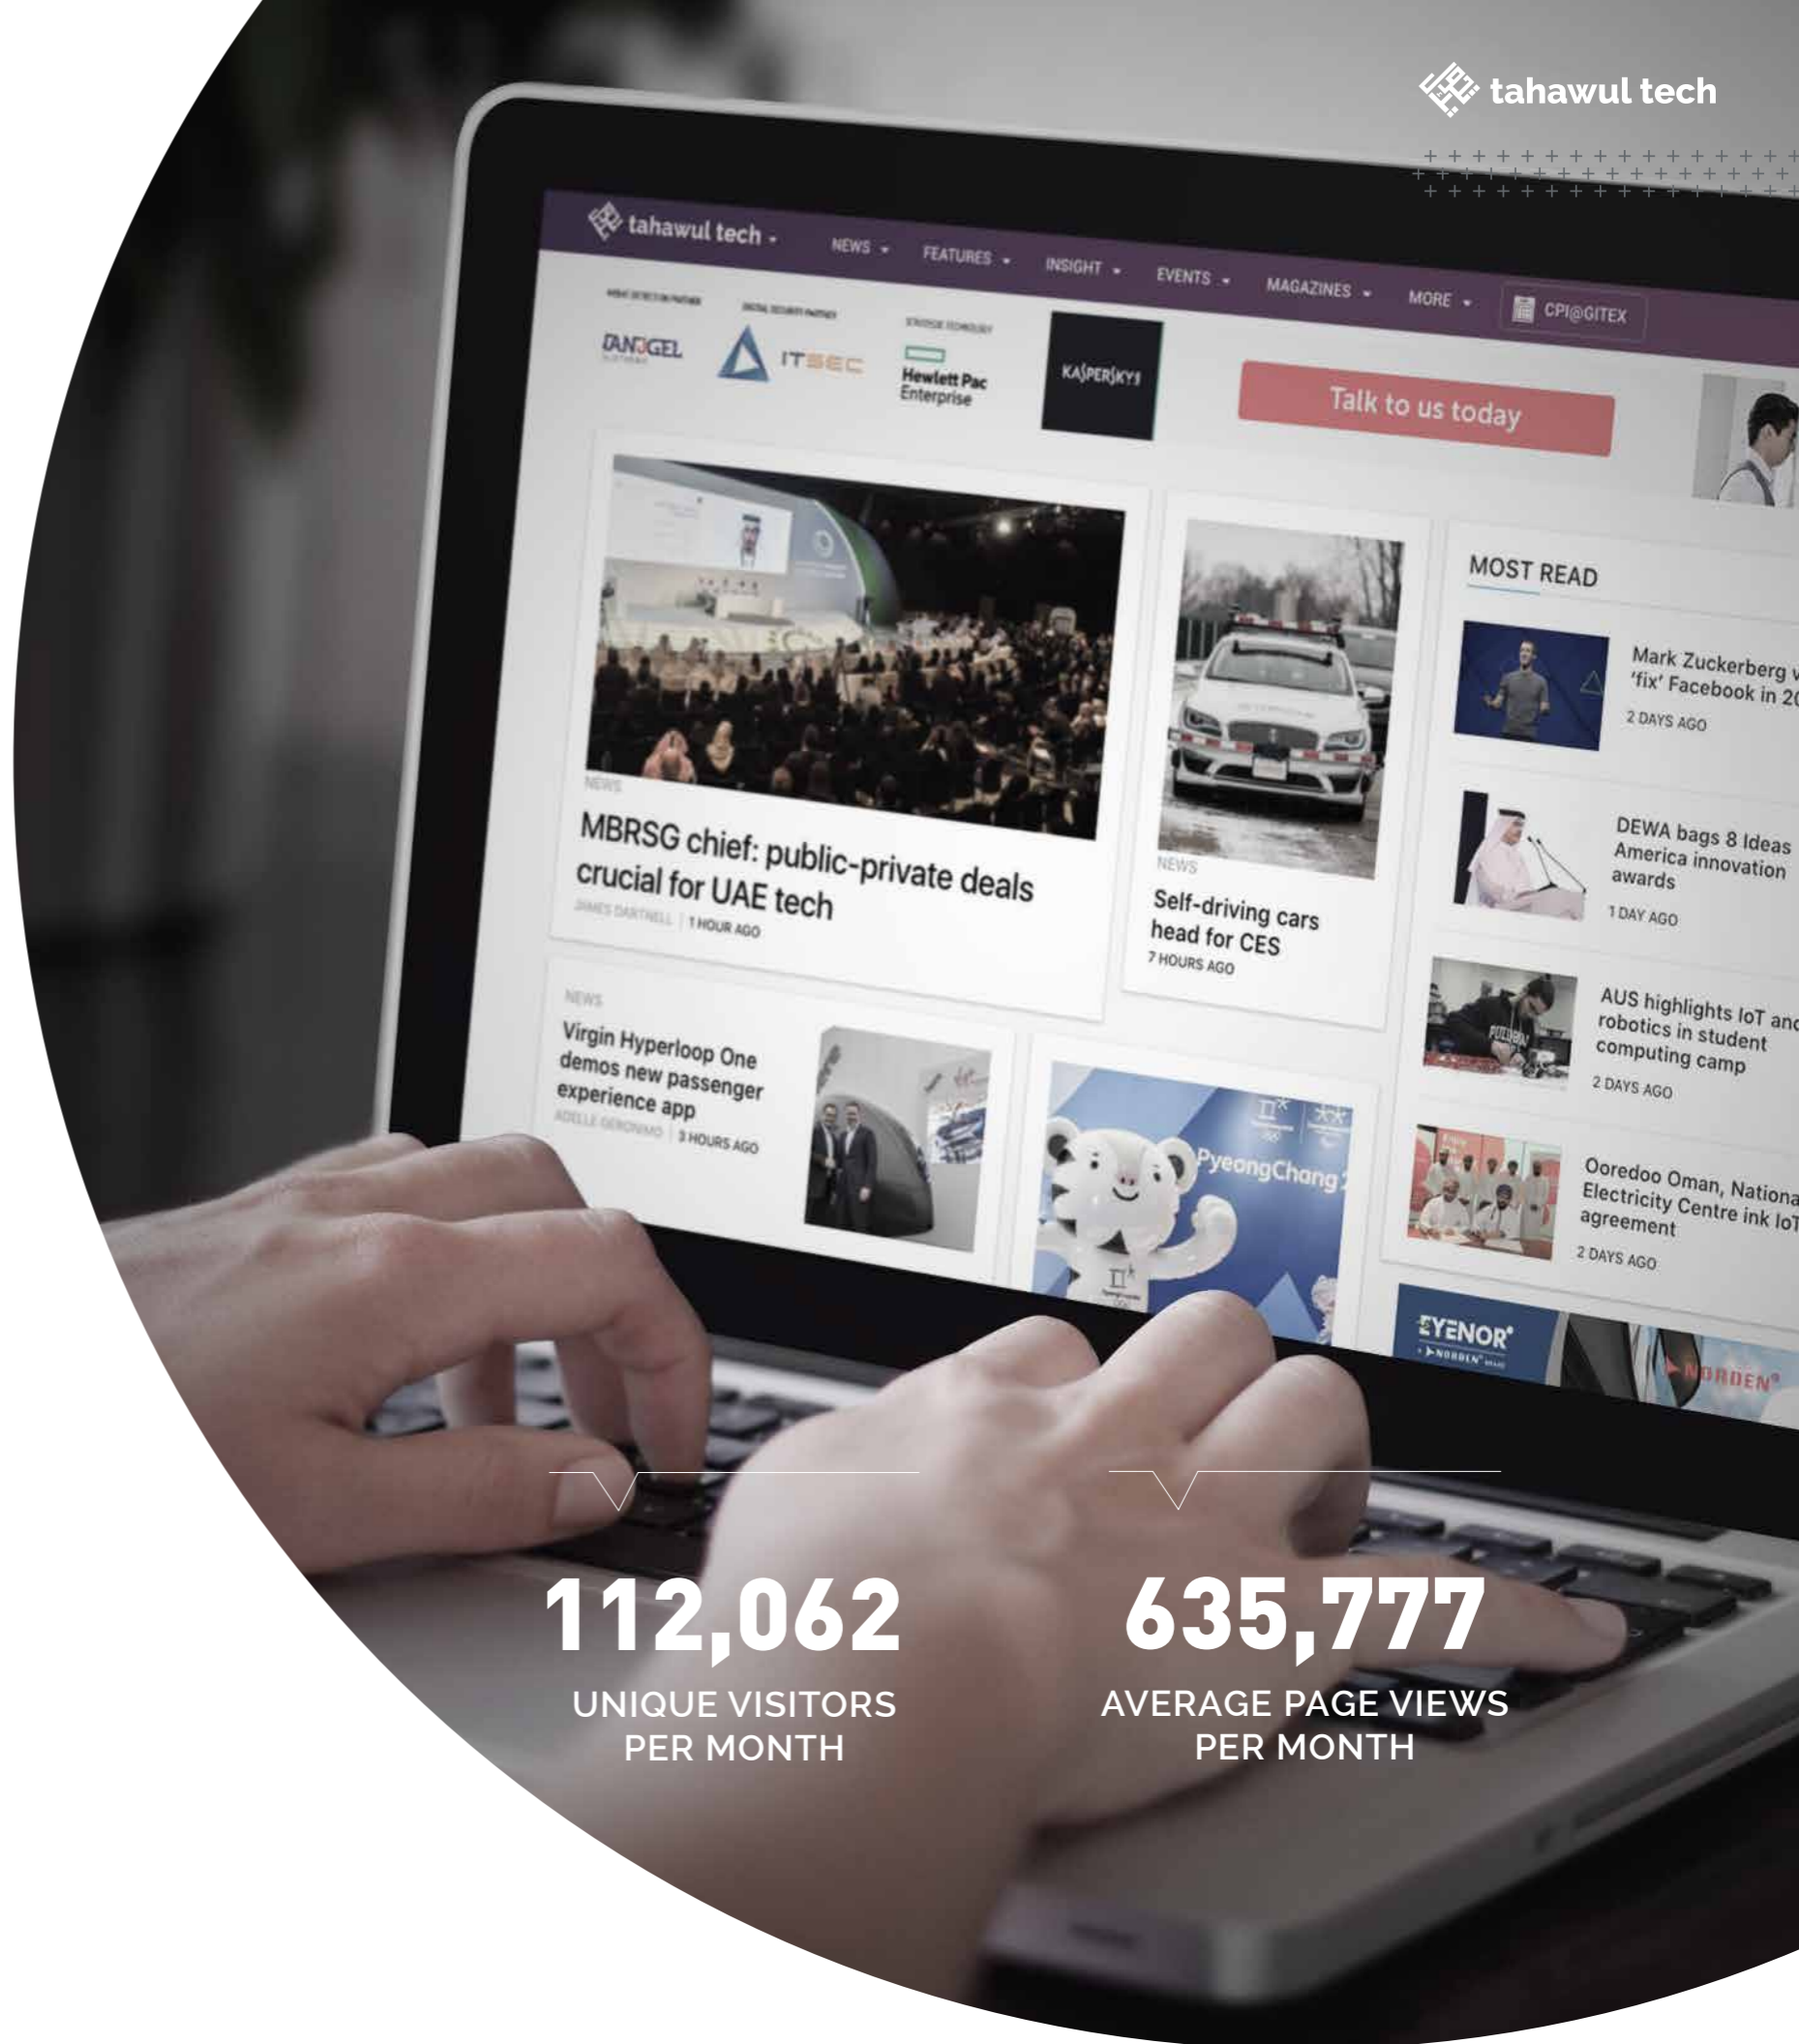

Security Advisor Middle East, meanwhile, is the region's only platform dedicated to covering one of the most prevalent issues in 21st Century technology – cybersecurity. With the ever-increasing variety and severity of cyber-attacks in the GCC, Security Advisor Middle East is positioned to provide unrivalled insight into how organisations can equip themselves against the unstoppable wave of threats.

➔

WHY TAHAWUL TECH?

- + Tahawul Tech is a complete platform that covers the most important aspects of technology that are driving the Middle East's digital transformation, and is fiercely committed to remaining ahead of the game in terms of technology news coverage.
- + CPI Media Group's technology titles are reinforced by the strong relationships they have built over the last 25 years, including those with leading regional chief information officers, world-class technology vendors and within the publishing industry.
- + Tahawul Tech's loyal, high-quality readership is a result of the diversity and depth of content that it produces. Trusted by CIOs, business decision-makers and technology aficionados across the Middle East, Tahawul tech boasts a captive audience that has a thirst for cutting-edge technology news stories and feature content.
- + Tahawul Tech is the Middle East partner of the world's largest technology publisher, International Data Group (IDG), providing it exclusive regional access to its esteemed global newswire service, as well as a unique status in the Middle East.
- + Tahawul tech is the only platform to provide a weekly video news round-up of the latest developments in the technology industry. It is also offers a unique platform to publish video interviews and content for regional stories of technology success.

**TAHAWUL TECH
ADVERTISING POSITIONS**

+ BANNER ADS

A variety of banner positions of varying size and prominence are available on the site linking viewers directly to advertisers' services and products.

+ SPECIAL BANNER OPS

Eye-catching activations including eye-blasters, page peel, video and interstitial banners are available to stand out from the crowd.

+ LEAD GENERATION CAMPAIGNS

While all opportunities we offer can be used to generate leads by accessing our extensive and regularly updated database of technology professionals from across the region.

Whether you are extending your database of relevant BD contacts, increasing engagement with existing clients or opening up new marketplaces, we can support your aims with tools that generate exact leads required.

+ WHITE PAPERS/CREATIVE CONTENT

High value content such as white papers can be used as an ideal lead generation tactic simply by guiding targeted audiences to them and requesting details in exchange for access to the information.

CPI Media Group can offer a creative content service through our channels and/or can create and publish media to generate the audience, which is then guided to your asset(s).

+ EMAIL DIRECT MAILS (EDMS)

Advertisers can send their message directly to our extensive database and target the countries and industry sectors that are most important to them.

+ MICROSITES

Our team can create dedicated microsites to match your corporate identity and give your products, events or services an online platform.

+ SURVEYS

Create interactive online surveys that reach your target audience and gather the data to learn more about their needs.

+ APP SPONSORSHIP

Each title has its own app featuring the latest issue and an extensive archive of previous issues, giving an exclusive sponsor unique association with their publication of choice.

+ SECTION SPONSORSHIPS

Sponsorship positions are available within sections of the website so advertisers can associate themselves with the most relevant ICT sector for them.

+ MOBILE ADVERTS

With the increase of viewers on mobile devices, advertisers can choose to target IT professionals who get their news on the go.

+ CONTENT MARKETING

Advertisers can engage readers with their own content such as case studies and opinion pieces that speaks of the wider challenges and developments in the market.

+ VIDEO CONTENT MARKETING

Does your CEO need to communicate? Is your business moving to a new location? Are you launching a new product or service? Being able to document and showcase these developments visually give your stakeholders access to information in formats they use. Advertisers can now utilize CPI's professional interview and video services to showcase their company spokesperson or products.

+ E-NEWSLETTERS

Tahawul Tech eNewsletters feature a selection of national, regional and global breaking news and features, articles, product reviews and galleries. eNewsletters are sent to a mass audience of 38,084 every week.
